## **Requirements for Exemption from Quality Inspection of Imported Cosmetics**

**Article 1 (Purpose)** The provisions are formulated pursuant to Article 5 of the Cosmetics Law and Article 11 of the Ministry Regulation on The Cosmetics Law for the purpose of stipulating necessary detailed matters concerning application procedures, submission materials and evaluation method, as well as certification cancellation, for cosmetics manufacturers & distributors to get the exemption of import cosmetics from quality inspection when they apply for on-site inspection to the manufacturers of import cosmetics, so as to make contributions to the smooth development of import cosmetics quality inspection.

**Article 2 (Inspection application)** The manufacturers and distributors intending to get the exemption of import cosmetics from quality inspection shall submit the application form of on-site inspection of import cosmetics manufacturers to the Ministry of Ministry of Food and Drug Safety according to the No.1 template in Attachment. The manufacturers and distributors with permit of on-site inspection shall carry out the same procedures in the case of changes in on-site inspection evaluation certificate.

**Article 3 (Submission materials)** The manufacturers and distributors shall submit the following materials if they apply for on-site inspection pursuant to Article 2.

1. Current situation of the manufacturing industry
2. Self-evaluation questionnaire on implementation status for CGMP (Cosmetics Good Manufacturing Practice)
3. Operational organization of cosmetics manufacturing and quality management
  - 1) Organization and operation status of cosmetics manufacturing and quality management
  - 2) Resume of the person in charge of quality management department
  - 3) Education provisions and implementation status of cosmetics manufacturing and quality management standard
